

“The Club shall be operated in the interests of past and present owners and riders of Brough Superior and W. E. Brough machines to foster the preservation and use of these machines.”

MEMBERSHIP APPLICATION FORM 2023

Membership is open to Brough owners, riders and anyone interested in Broughs. Applications should be sent to the Membership Secretary, together with the first annual subscription, entry fee and the postage supplement, if applicable. An information pack is sent to acknowledge receipt of subscriptions and the first Newsletter will follow. Family members are welcome for a small extra fee.

The monthly Newsletter is published both in paper form and is available on-line for a reduced Membership fee. It contains technical, historical and other articles, details of Club events, other news and advertisements (for sale and wanted). Advertisements can be placed in the Newsletter free of charge to Members, but a charge of £40 will be made after four inserts in one calendar year. The Editor always welcomes hints such as ‘Where to get it done’ and ‘Where to buy’ for publication.

The Club’s main event is the Annual Rally held during August. Local rallies and social meetings are held throughout the year at various places. The Club is run by a committee, appointed at the A.G.M.

A Spares Scheme, operated by the associated company Brough Superior Club (Spares and Events) Ltd., is in operation for most cycle parts and castings and spares for JAP and Matchless engines. The Club has a large range of Miscellanea items. Up-to-date lists are available from Mike Smith at the same company (mikesmithbsc@hotmail.com). The current list is supplied in the welcome pack sent to new members. The full list is published annually and sent out with the Club Newsletter.

The Club operates a loan scheme for Members who have been in the Club for a year or over. It allows approved applicants to borrow the Tate Brough—a 1937 MX80—for two months or more. The charges made are for maintenance and to contribute to insurance cover. The bike can only be ridden within the United Kingdom. Details of how to apply can be obtained from two committee members, Howard Wilcox and Terry Hobden.

A copy of the original works record card for the majority of Broughs built is available to members for a small fee and by sending a stamped, addressed envelope. Please quote frame, engine and registration numbers and apply to the Machine Registrar.

No record of machine details is held on computer. Paper records containing personal details are destroyed after six months of receipt by the Club.

Where did you hear about the Brough Superior Club?

General Data Protection Regulation May 2018

The Club publishes from time to time, as a printed booklet and password-protected on-line, a Membership List containing full contact details of Members who give or have given their express permission for their details to be included. If you wish to be included in this Membership List please sign the declaration below. **This is entirely optional.** If you do not wish to be included, leave this section blank. Permission given may be withdrawn at any time by writing to the Membership Secretary, but please note that the printed copy, once published, cannot be altered and withdrawn.

I give the Brough Superior Club permission to store electronically on a computer, protected by a password, my personal details (and those of Family Members if included) and to use these for the purpose of publishing a printed and on-line Membership List for the benefit of bona fide members of the Club.
